

Grammar: Gerund or Infinitive	
Main objectives	<ul style="list-style-type: none"> • Learning when you use gerund • Learning when you use infinitive
Learning contents	<ul style="list-style-type: none"> • Common verbs and phrases that are followed by a gerund • Common verbs that can be followed by either a gerund or an infinitive without causing a change in meaning • Common verbs that can be followed by a gerund or infinitive but with a change in meaning • Common verbs that are followed by an infinitive • Common verbs that are directly followed by a noun or pronoun and then by an infinitive
Learning outcomes	<ul style="list-style-type: none"> • Write and speak English fluently • Understand the grammar rule • Gain more knowledge • Upgrade your grammar knowledge • Fill your knowledge gaps
Description of the training content & material	<ul style="list-style-type: none"> • First of all, you should read your grammar book or online materials and understand the theoretical part (search and put here the source). • Then, try to memorize verbs and phrases and which of them should be followed by gerund and which by infinitive. • It is time to start practicing. • You can find exercises either in books or online in order to apply the theory (search and put here the source). • After the practicing you should test yourself (search and find tests, put here the sources) • At the end of the Unit evaluate yourself. This process will help you to repeat the lesson if it necessary or move on to the next Unit (find the test's solution, correct your mistakes and mention the next Unit).
Duration	<ul style="list-style-type: none"> • 1,5h
Methodology – activities	<ul style="list-style-type: none"> • Theory: Read the grammar rule • Practice: Apply the theory in exercises • Test: Complete exercise by your own, find the solutions and correct your mistakes • Evaluation: Rate yourself according to the test results • Repeat the steps or move to the next Unit.
Test criteria, assessment and self-assessment tools for pre-tests and post-tests	<ul style="list-style-type: none"> • You can complete a test before the Unit and one after its completion in order to rate yourself. This test will work as self-assessment tool.
